External Examiner

Acknowledgement

We would like to express our heart full thanks to our project supervisor **Mr. Nishal Gurung**, who supported us to do this project by giving valuable suggestions and guidelines during the development phase. We are thankful to the principal **Mr. Birendra Khadka** and the vice principal **Mr. Ashok Raj Parajuli** for supporting us during the entire project. We are also thankful to all our teachers and staffs for their assistance, support and encouragement to complete our project. A special gratitude to **Mr. Sujan Tamrakar**, HOD, Department of Research and Development for the guidance and investigation.

Finally, we would like to thank all our friends and library staffs who helped us by providing several suggestions and comments to make this project successful.

ABSTRACT

Pahichaan is a web application which allows the user to connect with each other. It provides a user-friendly platform for users to post their recognition status. Users are allowed to post the pictures of their honors, awards, certificates and text status. Not limited to this, they can connect to each other and react on connection's post and perform texting to connections. Similarly, connections will get notified of each other's activity.
